

As Covid restrictions are now lifted in line with government policy we have reviewed our Salon Policy in line with “Living with Covid” strategy. Clarke&ME consider the health and wellbeing of our customers and employees to be of the upmost importance and we want to maintain that we work together to achieve a healthy and happy salon environment. This policy sets out the measures we will continue to implement to help protect our customers and our team.

**What we are doing: -**

- We will maintain rigorous cleaning procedures and continue to disinfect all touchable surfaces, disinfect cutting and styling equipment after each client and to ensure hand sanitisers are replenished daily.
- We have increased our cleaning hours to include disinfection of all touchable surfaces after each client
- We will continue to make available hand washing guides and hand sanitizers for staff and customers.
- Clients can ask their stylist to wear a mask or visor during their appointment if they feel more comfortable.
- Our team have suitable personal protective equipment and sanitiser for their own use.

**What you can do: -**

- Stay away from the salon if you or a member of your household have Covid 19 symptoms.
- Treat COVID-19 as you would the flu or norovirus; if you are unwell, stay at home
- Wash your hands and sanitise in line with the “catch it, bin it, kill it” advice
- Do not invite visitors to the salon without appointment that is managed via reception.

**Please raise any concerns with the Salon Manager or Billy**

We will continually review guidance released and implement additional measures where necessary.

**Thank you and stay safe.**
